Terry Goddard Launches Consumer Alert Email System

(Phoenix, Ariz. – July 5, 2005) Attorney General Terry Goddard today launched a new Consumer Alert notification system that will enable consumers to be updated on efforts to prevent fraud.

“This is one more tool we will use at the Attorney General’s Office to educate consumers on the latest scams preying on our communities,” Goddard said. “The more consumers are aware of potential scams, the better they can protect themselves from becoming victims.”

This effort will help notify consumers who may have missed a news item that affects their family or work. Consumers can subscribe to this email service by visiting the Arizona Attorney General’s Office Web site at www.azag.gov.
